## ABOUT B1HH

Be 1 Helping Hand (B1HH) is an initiative started in New Delhi directly benefitting children and their families. It provides Computer education, Awareness workshops, various house wives & children oriented programmes, and programs for women empowerment.

The people here work intensively focussed in youth, and community engagement as it believes in social upliftment for whole society together. The youth today needs motivation and correct direction to channel their extremely important potential in right direction. B1HH helps in giving direction to their energy.

Education is the most powerful catalyst for social transformation. Our youth Mostly not able to identify that what should they do after complete and during studies. Undoubtedly, computer education and awareness are extremely important for a better life. It empowers an individual to earn his/her livelihood and become aware to match up with the fast growing informatics world.

Realizing this, B1HH, beginning in the corridors of education, adopted a lifecycle approach of development.

## B1HH Mission & Vision

**B1HH Mission** has gained momentum by a solitary idea that children, Youth and woman can bring positive change to their community if they are empowered through education and awareness.

"Every individual should be given the opportunity to utilise their potential in order to live with dignity and self-respect, regardless of mental or physical limitations", Pathway seeks to serve the poorest of the poor by providing the best.

**B1HH Vision** "One day every child will attain an excellent education power" a vision that defines. B1HH believes to encourage our youth to stand up. Our dedicated team, who are working for a common dream of developing the future of the society & country.
